

7.0 LIST OF PREPARERS AND REVIEWERS

Federal Railroad Administration

Arnold Kupferman

Maglev Program Consultant Manager
Program Oversight

William R. Fashouer

Attorney
Legal Guidance and Review

Linda M. Pybas

Attorney
Legal Guidance and Review

Michael T. Saunders*

Northeast Corridor Program Manager
Document Review

David Valenstein

Office of Railroad Development
Environmental Program Document Review

John A. Volpe National Transportation Systems Center

Aviva Brecher, Ph.D.

Ph.D. Applied Physics; M.S. Physics; B.S. Physics
31 years experience
Review of Electrical and Magnetic Fields; Safety and Health

Robert Dorer

B.S. Civil and Environmental Engineering
27 years experience in transportation operations, research and safety assurance, concentration in railroad and fixed guideway operations
Safety Review

Adrian Hellman

M.S. Systems Engineering; B.A. Physics
12 years experience in electromagnetic interference/electromagnetic compatibility
Review of RFI

Amishi Joshi, Ph.D.

Ph.D. Earth and Environmental Science; B.A. Geology
2 years experience
Natural Environment Review

Brian Kim

M.S. Environmental Engineering; B.S. Mechanical Engineering
6 years experience in air quality modeling and field measurements
Air Quality Review

Jose Mantilla

M.S. Environmental Engineering; B.S. Industrial Engineering and Operations Research
4 years experience in environmental engineering
Energy and Transportation Review

Christopher Roof

M.S. Graduate Candidate, Transportation Engineering; B.S. Electrical Engineering and Music
10 years experience in measurement, modeling and analysis in all modes of transportation noise
Technical Review of Noise and Vibration

Paul J. Valihura, Ph.D.

Ph.D. Urban and Environmental Studies; M.S. Environmental Studies; B.S. Industrial Management
24 years experience in environmental compliance and management
Overall Technical Review

Roger Wayson, Ph.D.

Ph.D. Civil Engineering; M.S. Environmental Health Engineering; B.S. Environmental Engineering
22 years experience
Air Quality Review

Pennsylvania Department of Transportation

Sharon Daboin

Deputy Secretary for Aviation, Rail, Freight, and Ports
Document Review

* No longer working at this agency or company

Chris J. Johnston*

*Assistant Deputy Secretary for Local & Area
Transportation*
Document Review

Susan L. McDonald*

Bureau of Environmental Quality
Document Review

Patricia A. Remy

District 11-0 Environmental Manager
Document Review

Richard Peltz, P.E.*

Deputy Secretary of Transportation
Document Review

Robert Shea, Attorney

Office of Chief Council
Legal Guidance and Review

Port Authority of Allegheny County

Bruce Ahern, P.E.*

Master of Engineering, BSCE
22 years experience in public transit
Project Oversight

Gary R. Antonella, AICP*

*M.B.A.; M.A. Urban & Regional Planning; M.S.
Energy Resources*
16 years experience in transportation planning,
project development, and economic development
EIS Project Manager

Carmen N. Bray

B.A. Journalism/Communication
8 years experience in public relations
Public/Media Relations

Richard C. Feder, AICP

M.S. Civil Engineering; B.S. Engineering Science
31 years experience in transportation planning
Oversight of NEPA Process/ Environmental
Activities for the EIS

Judi H. McNeil

B.A. Public/Media Relations
18 years experience in public relations
Public/Media Relations

Henry M. Nutbrown, P.E.

B.S. Civil Engineering
36 years experience in engineering and construction
Oversight Manager of Engineering/Environmental
activities for the EIS

Paul P. Skoutelas, P.E.

Chief Executive Officer
30 years experience in public transit
Project Oversight

Southwestern Pennsylvania Commission

Charles S. Imbrogno

B.S. Civil Engineering
27 years experience in transportation planning
Review of EIS, Ridership, and Employment
Estimates

Maguire Group Inc.

Tracey S. Cullen, AICP*

*M.S. Urban & Regional Planning; B.A. Political
Science*
15 years experience in transportation
planning
Secondary & Cumulative Effects; Alternatives
Analysis; Station Analysis

David R. Freudenrich, EIT

B.S. Biology; B.S. Civil Engineering
20 years experience in transportation planning
Transportation & Traffic Analysis; Noise; Air; EMF

Matthew S. Hoover, AICP

*M.S. Environmental Science & Management; B.S.
Environmental Resource Management*
8 years experience in socioeconomics
Socioeconomics Discipline Leader

Todd A. Koget, P.E.

*M.S. Environmental Science and Management;
B.S. Chemical Engineering*
4 years experience in environmental studies
Environmental Justice; Socioeconomics

* No longer working at this agency or company

Louis D. Rocchini, P.E.
M.S. Civil Engineering; B.S. Civil Engineering
31 years experience in transportation planning and environmental studies
Project Manager, Document Review

Seth R. Rodriguez
B.S. Environmental Science
4 years experience in geographic information systems
Geographic Information Systems /Database Management

Daniel F. Smaroff
B.S. Environmental Science
8 years experience in natural resources
Wetlands, Surface Waters, and Threatened and Endangered Species Investigations

Brian A. Sterner
B.S. Biology
16 years experience in natural resources and land use planning
Natural Resources Discipline Leader; EIS Preparation

Michelle R. Thuransky*
M.S. Environmental Science, B.S. Business
4 years experience in natural resources
Natural Resource Investigations

Richard J. Zuk
B.S. Engineering
18 years experience in traffic engineering
Traffic Analysis and Impacts

Skelly & Loy, Inc.

Kristen A. Beckman, Ph.D.
Ph.D. Anthropology; B.A. Anthropology
18 years experience in cultural resources
Cultural Resources

A. Graham Bullen, Ph.D
Ph.D. Civil Engineering
42 years experience in traffic engineering and planning
Traffic Impact Analysis

Richard B. Duncan*
M.S. Anthropology; B.A. Geology/Environmental Studies
18 years experience in archaeology
Archaeological Resources; GIS

Ryan D. Gordon
M.S. Geography/Environmental Planning
4 years experience in NEPA documentation
Socioeconomics; Farmland Studies

Karen M. Johnston
B.S. Secondary Science/Environmental Education
Endorsement
17 years experience in botany/landscape design
Threatened and Endangered Plant Assessment

Gerald M. Kuncio
M.A. History; B.A. History
13 years experience in historic resources
Cultural Resources Historic Discipline Leader

Deborah L. MacAllister, P.E.
B.S. Civil Engineering
16 years experience in NEPA documentation
Alternatives Analysis; Floodplain Analysis

Luke R. Marsh
B.S. Environmental Science
2 years experience in environmental site assessments
Waste Management Investigations

Steve J. Pernick
B.S. Environmental Resource Management
11 years experience in threatened and endangered species, wetlands, and streams
Threatened and Endangered Species Investigation

Amy L. Pinizzotto
B.S. Political Science/Sociology
5 years experience in technical writing and editing
Section 4(f) Evaluation; EIS Document Editing

Roland H. Rogers, AICP
Master Urban & Regional Planning; B.A. Mathematics and Psychology
13 years experience in geographic information systems, urban and regional planning
Geographic Information Systems; Noise and Vibration

* No longer working at this agency or company

Joseph C. Romano, AICP
M.A. Geography; B.S. Regional Planning
26 years experience in transportation planning
Document Preparation

Margaret G. Sams, CPSS
M.S. Agronomy, B.S. Agronomy
20 years experience in soil science
Farmland Studies

Brian F. Schilling
2 LAS, Letters, Arts and Sciences
12 years experience in GIS/CADD
Predictive Modeling; CADD

Janalee W. Schilling
13 years experience in aesthetics and visual quality
Document Production and Graphics Production

Scott C. Siegart
B.S. Civil Engineering
11 years experience in air quality, noise analysis,
wetland mitigation
Air Quality and Noise Analysis

Nancy S. Slater, P.G.
B.S. Geology
16 years experience in waste management services
Soils, Geology & Erosion Discipline Leader; Waste
Management Investigations

Matthew E. Stewart*
B.S. Geography, GIS
4 years experience in GIS
GIS/Database Manager

John B. Wakelee*
*M.S. Environmental Studies; B.S. Agricultural
Economics*
33 years experience in environmental control &
environmental consulting
EIS Document Group Manager

Julie A. Winner
B.S. Biology
5 years experience in biological assessments
Threatened and Endangered Species

Michael J. Zizan
B.S. Agronomy
19 years experience in farmland studies,
environmental document preparation
Farmland Studies

McCormick, Taylor, Inc.

Daniel J. Angelo
B.S. Agricultural Sciences
5 years experience in aquatics and natural
resources
Streams Coordinator

Jerry A. Clouse
M.A.; B.A.
15 years experience in architectural history
Evaluation of Historic Structures

Kenneth A. Deats
M.A. Journalism
6 years experience in public involvement
EIS Document Editing

Leanne M. Doran
B.A. Journalism
10 years experience in public involvement for
environmental projects
Public Involvement Group Leader

Carlos E. Escalante
B.S. Environmental Science
9 years experience in hazardous waste
Solid Waste Investigation

Paul J. Geinzer
A.S. Technology
5 years experience in graphic/web design
Aesthetics and Visual Quality

Cecilia W. Henke
B.A. Communications
18 years of experience in marketing and public
relations
Public Involvement

Robert C. Kolmansberger
B.A. Geography/Environmental Planning
12 years experience in noise & air quality analysis
Air and Noise Analysis Leader

* No longer working at this agency or company

Elizabeth A. Korb

*B.S. Environmental Science
3 years experience in environmental studies
Section 4(f) Evaluation*

Camille A. Otto

*B.S. Biology/Ecology
6 years experience in NEPA document preparation,
environmental and agricultural evaluations
Preparation/Coordination of Section 4(f) Evaluation*

Diane M. Nulton

*B.S. Biology/Ecology
14 years experience in NEPA documentation
Section 4(f) Evaluation Review*

Dawn C. Noel, P.E.

*B.S. Civil Engineering Technology
10 years experience in environmental studies
QA/QC; Affected Environment; EIS Document
Preparation*

Kelly A. Phillips

*B.S. Environmental Resource Management
4 years experience in hazardous waste and
socioeconomics
Hazardous Waste Investigations; Socioeconomics*

Kenneth V. Rich

*B.A. Journalism
16 years experience in transportation related
communications and public involvement
Public Involvement/Community Relations*

Jennifer A. Rummel

*4 years experience in CADD/graphic design
Graphic Production and Document Coordination*

John M. Sada

*M.S. Engineering
1 year experience in highway design
Alternatives Analysis*

Raymond K. Schilling, P.E.

*B.S. Civil Engineering Technology; B.S. Biology
20 years experience in transportation field
EIS Management; QA/QC; Agency Involvement;
Document Preparation*

Barry J. Schoch, P.E.

*B.S. Civil Engineering
21 years experience in transportation and
environmental management
Project Director; Agency Compliance*

Barbara J. Shaffer

*M.A. Anthropology
12 years experience in archeological resources
Archaeological Field Survey*

Richard C. Shannon, Jr.

*B.S. Wildlife Science and Environmental Resource
Management
17 years experience in NEPA documentation
Agency Coordination and Regulatory Compliance*

Marlin E. Sowers

*B.S. Geography and Environmental Science
4 years experience
Air Quality and Noise Analysis*

Marie J. Swallop

*B.A. Communications
5 years experience in public involvement
Public Involvement*

Julie A. Trachta

*B.S. Conservation Biology
2 years experience in natural resources
Natural Resources, Socioeconomics*

Jennifer B. Vanderburgh

*M.A. Communications Technology
5 years experience in public involvement
Public Involvement Coordination*

Christopher J. Wagner

*B.S. Geology
8 years experience in natural resources
Natural Resource Investigations*

Stephen J. Wiedemer, AICP*

*B.S. Environmental/Resource Management
17 years experience in environmental planning
Environmental Group Leader, Document Production*

Linda S. Zug

*B.S. Biology
13 years experience natural resources including
wetland investigation and noise analysis
EIS Document Preparation*

* No longer working at this agency or company

A.D. Marble & Company

Peter J. Dodds

M.S. Entomology
22 years experience in public involvement and agency coordination
Public & Agency Coordination

Kenneth E. Stockert

B.S. Environmental Resource Management
12 years experience in natural resources
Natural Resources Group Leader

Alan D. Tabachnick

M.S. Historic Preservation
15 years experience in cultural resources
Cultural Resources; Historic Structures

Advanced Technology Systems

Kenneth A. Crawford

B.S. Civil Engineering
16 years experience in engineering mapping and data conversion
GIS Mapping

John W. Spires, P.E.

B.S. Civil Engineering
33 years experience in construction management
Alternatives Analysis

Environmental Assessment Company

Leigh E. Dehaven

M.S. Earth Science; B.S. Earth Science; B.A. Geography Travel
8 years experience in environmental science and hydrogeology
Hazardous Waste Investigation

Nancy T. Duerring

M.S. Geology
24 years experience in environmental assessment
Hazardous Waste Investigation

Gannett Fleming

D. Eric Veydt, P.E.

B.S. Civil Engineering
21 years experience in environmental and engineering project management
Engineering Group Manager

Hillcrest Group

Robert W. Orchowski, P.E.

M.S. Civil Engineering
22 years experience in environmental permitting
Electro Magnetic Documentation

MAGLEV, Inc.

Bryan Bond

B.S. Electrical Engineering; B.S. Computer Engineering
2 years experience in engineering mapping

Frank Clark

B.S. Industrial Engineering, M.B.A
34 years of experience in the steel industry

Dan Disk

B.S. Electrical Engineering
28 years experience in railroad and transportation communication, control, and safety systems

Ken Flessas

B.S. Civil Engineering
44 years experience in bridge and structure construction; constructability; Maglev technology

Fred Gurney, Ph.D.

B.S. in Mechanical Engineering; M.S. Materials Engineering, Ph.D. Metallurgical Engineering
37 years experience in advanced technology development, manufacturing, construction, and production

Edd Manges, C.E.P.

B.S. Planning
24 years experience in transportation planning, environmental planning, and documentation
EIS Engineering Manager

Bob Mills

*B.S. and M.S. Chemical Engineering, M.B.A
31 years experience in engineering, operations,
project management, and business management*

GAI Consultants, Inc.

Stephen E. Gould

*B.S. Aquatic Environments, M.S. Geological
Sciences
13 years of experience in GIS*

Jennifer C. Broush

*B.S. Environmental Biology
5 years experience*

Michael Baker, Jr., Inc.

Jason E. Bischoff

*B.Arch. Architecture
3 years experience in architectural design*

Juan Contreras III, P.E.

*M.S. Civil Engineering, B.S. Civil Engineering
18 years experience in transportation and structural
engineering*

Joseph A. Hall

*A.S. Electrical Engineering Technology
18 years experience in civil design*

James G. Knapton

*B.S. Industrial Management
31 years experience in construction and project
management*

Joseph R. McKool, P.E.

*B.S. Civil Engineering Technology
12 years experience in structural engineering*

David Pecharka, R.A.

*M.Arch. Architecture, B.S. Architecture
20 years experience in architectural planning and
design*

Joseph E. Salvadori, E.I.T.

*B.S. Engineering
5 years experience in structural engineering*

Terrence J. Tiberio, P.E.

*B.S. Civil Engineering
25 years experience in structural engineering*

Gary W. Todd, P.E.

*B.S. Civil Engineering
28 years experience in civil design*

Keith A. Williams, R.A.

*B.S., B.Arch., Architecture
11 years experience in architectural planning and
design*

Olszak Management Consulting

Erin S. Carenbauer*

*B.S. Journalism
2 years experience in public involvement
Public Involvement*

Glenda L. Murphy

*M.B.A.
21 years experience in public involvement
Public Involvement*

Lisa M. Olszak

*M.B.A.
21 years experience in public involvement
Public Involvement*

Vitatech, Inc.

Louis Vitale, Jr.

*B.S. Biochemistry; B.S. Electronics Engineering
24 years experience in EMF and EMI studies
Electro Magnetic Field Investigations*

Weston Geophysical Corporation

George C. Klimkiewicz

*M.S. Geophysics/Seismology; B.S. Geology
26 years experience in seismology and vibration
measurement control
Vibration*

* No longer working at this agency or company
