AWARDING OF BIDS

1. CONNECT BANDS

This bid was publicly advertised and ebusiness documents were distributed. Two firms accepted the invitation and two bids were received for Connect Bands over a three-year period.

The low bidder did not provide a working sample and therefore is ineligible for award.

RECOMMENDATION: That a contract be awarded to the low responsible bidder that submitted a responsive bid, Electronic Data Magnetics, in the estimated amount of $134,535.00 over the three-year period.

There has been no recent purchase of these items, however, staff has determined the pricing to be fair and reasonable and consistent with the funds budgeted.

2. VMWARE HORIZON SUPPORT AND SUBSCRIPTION SERVICES

This bid was publicly advertised and ebusiness documents were distributed. Five firms accepted the invitation and five bids were received for VMware Horizon support and subscription services over a one-year period.

The low bidder inserted their own terms and conditions which altered the bid documents in their entirety and is therefore ineligible for award.

RECOMMENDATION: That a contract be awarded to the low responsible bidder that submitted a responsive bid, SAITECH Inc, in the estimated amount of $127,900.01 over the one-year period.

This price represents a 44 percent increase over the previous contract prices for these services four years ago. Staff has determined the pricing to be fair and reasonable and consistent with the funds budgeted.

RESOLUTION

RESOLVED, that recommendations as set forth in the report are accepted and that the chief executive officer or chief financial officer be, and hereby are, authorized and directed to execute such documents on behalf of Port Authority of Allegheny County as shall be required for the entry of proper contracts covering those items recommended for acceptance.
