There are times when the general public, representatives from various groups, organizations, agencies, institutions and governmental entities want to address the Board at its public meetings. The purpose of this policy is to ensure that these individuals and entities have a fair and reasonable opportunity to do so.

The general public is encouraged to bring questions, issues and/or problems to the attention of Port Authority's staff. If the issue is unable to be resolved at the staff level and a member of the general public wants to address the Board, the following procedures are to be used.

II. Rules Governing Presentation

Presentation to the Board shall be limited to three (3) minutes for an individual or five (5) minutes total for an organization where more than one member of the organization will make the presentation.

Presentation must be germane to work or concerns of Port Authority of Allegheny County.

Not more than two (2) individuals, representatives or members of any agency or organization may address the Board at any one meeting.

Due to time constraints, the Chairman, Board members and/or Port Authority staff will not answer question(s) during a presentation. The presenter may, however, direct specific questions to the Board, which questions must be written and submitted to the Chairman of the Board at the meeting. Responses may be prepared, as determined by the Board to be appropriate, and sent to the presenter as soon as practical after the meeting.

Any individual, representatives or members of an agency or organization adhering to the above procedures will be permitted to address the Board.

The Chairman of the Board reserves the right to determine the appropriateness of the presentation, and to modify, alter or waive any of the aforementioned, to the extent permitted by law.

III. Amendments to Presentation Policy

Port Authority Legal and Public Relations staff are authorized by the Board to make any non-material amendments to the policy that may become necessary from time to time without further resolution of the Board (i.e., updating Port Authority’s mailing address and/or updating the website link for electronic requests).
