

FOR IMMEDIATE RELEASE (June 18, 2020) – Port Authority light rail service will return to regular schedules on Monday, June 22, 2020.

Single cars will operate throughout the day so employees can keep up daily disinfecting protocols. Two-car trains are normally in service during rush hour.

Bus service will continue to operate at current levels, with thirty-two bus routes remaining on reduced schedules. Current schedules are available [here](#).

To allow passengers room for social distancing, vehicle capacity restrictions will be maintained:

- 10 passengers on 35-foot buses
- 15 passengers on 40-foot buses
- 25 passengers on 60-foot articulated buses and light rail vehicles

Riders are also required to wear face coverings while on board vehicles.

For additional information or questions about schedules, riders are encouraged to contact Customer Service by calling 412-442-2000, via Twitter @pghtransitcare or via Live Chat at www.portauthority.org.
